

NOTICE OF INTENT TO BID

Open National Call for Tenders No. 064/DGA/DAP/2021 the subscription of a funeral expenses insurance for the staff of ENEO, its subsidiary and their families

PURPOSE

The purpose of this document is to provide ENEO with a mechanism for monitoring participation and acknowledging potential business between bidders regarding this tender

REQUIREMENTS & INSTRUCTIONS

Bidders are **REQUIRED** to indicate their intent to Bid. The completed document qualifies your admission to the response process. ENEO requires that all suppliers (and their subcontractors, alliances or partners) provide a single point of contact during the call for tenders process. By signing the form below, suppliers indicate their formal working relationship and designate their single point of contact throughout the call for tenders process. The signing of this document also reflects the bidder's adherence to the best ethics and confidentiality practices that generally govern call for tenders process.

STATEMENT OF AUTHORITY

The undersigned agree that the Primary Respondent has the authority to bind the Primary for the purpose of negotiating and contracting for the services/products described within this RFP.
